Kamihara Tetsuro

A member of the infamous "White Dragon" mafia, Tetsuro is a notorious and ruthless man.

100%

100%

Nogiwa Ayaka

Both her parents got involved in a drug-related dispute and were killed by the Tokyo Black Dragon. Her specialty is cooking, and because White Dragon loves to eat her cooking, she has come to play and live with him.

Shirakawa Tatsuto

Formerly a doctor that can negotiate between male and female. His job is to help those fatally wounded to escape or go into hiding. He uses high-pressured waterblows as his weapon. His favourite song is "The Infatuated". Since he has always been acting on his own, so his meals consist of microwave dinner sets, but after sampling Ayaka's cooking, he can no longer depart any other kind of food.
